## Be Safe! Season Opens Today on Game — Not on Hunters

—Mercury Staff Photos by Eugene Orlando

Open season on small game opens for hunters today. And if you want to come home more alive than the rabbits and birds you bag, follow safety rules to the letter. For instance, don't make a mad dash through a fence with your gun ready to fire. Do it carefully, like Ralph Krause (picture at left), who gets an assist from Michael Jahn (left).

and William Slabr. If you're hunting in a party, walk abreast in stalking game, as shown by the same trio in the upper right. Safari leaders sometime pick up lead weight. Before riding home, break down your gun. A "broken" gun never goes off. The three sportsmen, members of the West Pottsgrove Rod and Gun club, show how it should be done.

## Local Voters Prepare To Ballot Tomorrow

### DEWEY, TRUMAN REST TO AWAIT PUBLIC'S CHOICE

Last-Minute Appeals To Be Broadcast Tonight By Major Candidates

WASHINGTON, Oct. 31 (AP) — The tumult and the shouting of the presidential campaign died away today, and rested their cases with the people.

The big decision for the voters as they take a hand in America's destiny at the ballot boxes Tuesday—Is President Truman or Governor Dewey the man to take over the next four-year term in the nation's and the world's No. 1 job at this time of uneasy world peace and troubles at home?

Almost as important is the question of whether the Republicans or the Democrats will win control of the sharply contested Senate.

Except for a scattering of last minute talks, there remained little in the actual campaign except the traditional Monday night appeals to get out and vote for everyone to make his citizenship count.

PRESIDENT TRUMAN, who succeeded to the presidency on the death of Franklin D. Roosevelt back in April of 1945, stepped from his train at Independence, Mo., today and told welcoming friends:

"It's grand to be home. I can't tell you how much I appreciate your coming down to see the country boy come home to his home town. I thank you from the bottom of my heart."

Governor Dewey, who lost to Mr. Roosevelt four years ago, likewise returned to his home at Pawling, N. Y., bulwarked by consistent reports from the political polls that this time he will win, and easily.

Mr. Truman will be the Democratic challenger on a get-out-the-vote radio appeal Monday night from 10:30 to 10:45 o'clock.

Governor Dewey and other Republicans will take part in a similar last minute appeal to be broadcast from 8 until 10 p. m. Monday over three networks.

Two of the most popular men who ever ran for vice president—Democratic Senator Alben Barkley, of Kentucky, and Republican Senator Charles McNary, of Oregon, will also take part.

### PARTY LEADERS CONFIDENT OF VICTORY HERE

Feverish Activity Set For Tomorrow to Bring Electors to Polling Places

Their ears ringing with the clamor of long and shrill electioneering, Pottstonians will go to the polls tomorrow to help millions of other Americans indicate their choice for the next President and Vice President of the United States.

Even the occasional rain that is expected throughout this area tomorrow will not keep local voters from turning out in relatively large numbers than the remainder of the countrymen, political leaders predicted.

William J. Boden, veteran Republican leader here, predicted late last night after talking with ward workers:

"I figure the Republicans should carry the borough by 250 votes."

C. Roy Bush, president of borough council and leader in local Democratic affairs, thought differently.

"I believe Pottstown will come through with between 1000 and 1500 votes majority for the Democrats," Bush forecast.

Both men thought the turnout would be heavy, probably the percentage equivalent of the 1944 presidential election. Bush declared that the work of the CIO Political action committee would help get out the vote.

A heavy vote will help the Democrats, he declared, and I believe many of the voters the PAC is getting out are going to vote Democratic."

THE LABOR political action group has organized a "POT" (Pottstown) party.

### ERP Official Murdered In Vienna; Reds Blamed

VIENNA, Austria, Oct. 31 (AP)—An American Marshall plan official was beaten to death early today in the Soviet zone of Vienna and a girl companion told American police four Russian soldiers were to blame.

The victim was Irving Ross, special assistant to Westmore Wilcox, chief of the Economic Co-operation administration (ECA) mission here. His family lives in East Haverhill, Vt.

Ross' battered body was found in his abandoned automobile in the Soviet zone. Police said the girl told them she was also beaten by the Russian soldiers, two of whom forced their way into Ross' car about midnight. She is in a serious condition in a hospital here suffering from a skull fracture.

U. S. Army and State department officials studied reports of the slaying, but said no official action would be taken until all details are known. Ross had been in Vienna for about a year.

An Austrian police official described the murder as "the most brutal I have ever seen."

American informants said the Russians did not permit a U. S. investigator to approach the death car until he had obtained documents authorizing an investigation in the Soviet zone. The first American to approach the automobile was turned back by a Soviet guard, the informants added.

THE GIRL, Anna Sutkova, is an Austrian. She told police she and Ross were stopped by the four Russians near the south railway station in the Soviet zone of Vienna. Two of the Russians forced their way into the car. When Ross resisted, she said, they beat him over the head with their rifle butts.

The girl jumped out of the car, but she was caught and beaten. Later she jumped again or was (Continued on Page Twelve)

### Man Nabbed in Seattle, Linked With Sex Slaying

SEATTLE, Oct. 31 (AP)—A 32-year-old Eau Claire, Wis. man was arrested by Seattle police today in connection with the sex slaying of two Eau Claire teen-agers there a week ago—and promptly denied any connection with their deaths.

He was booked as Marshall Johnson, former Eau Claire rubber company employee, and freely admitted his identity to arresting officers.

Police said there was no warrant against Johnson and he was held in lieu of \$10,000 bond. The request of Wisconsin authorities.

After his arrest, Johnson told Seattle detectives he had no knowledge of how Raymond Smith, 18-year-old bank clerk, and his companion, Gertrude Baumann, 17, were slain on Oct. 23.

### THE WEATHER

# Chiang Warns Situation in Asia May Lead to New World War

NEW YORK, Oct. 31 (AP)—The New York Herald Tribune, in a dispatch from Peking, today quotes Generalissimo Chiang Kai-shek as saying that continued Communist advances in Manchuria may lead to a new world war.

The Chinese president admitted, said the dispatch, that the situation in Manchuria "has reached an unfavorable stage" and that the position of Mukden is "critical."

"Should the Communist rule over the nine northeastern provinces (Manchuria)," Chiang said, "it would mean the actual beginning of another world catastrophe. Out of it, without an integral northeast, there will be no independent Korea nor peaceful East Asia."

The generalissimo made his statement in written form following an interview, one of the few he has

accorded in recent years, the Herald Tribune said.

IT SAID CHIANG asserted that the Communist international policy of world revolution and present line of expansion is centered on Asia and that China is the "decisive pivot."

## GREEK REGIME TO HOLD LINE

Reconsiders Threat To Resign Over Fight For Cabinet Shake-up

ATHENS, Oct. 31 (AP)—The threatened resignation of the Greek government was reported today to have been postponed temporarily, possibly through intervention of the king.

A source close to Prime Minister Themistokles Sophoulis said he would not act for at least eight to ten days as the result of a trace with Sophocles Venizelos, deputy leader of the Liberal party.

Sophoulis told newsmen last night his coalition government of Liberal and Populist parties would resign within three days. His decision to quit followed a split with Venizelos over the latter's demands for a cabinet re-shuffle.

The truce was reported to have strongly recommended postponement of a showdown.

UNITED STATES authorities in Athens also were understood to be opposed to any cabinet reorganization at this time.

Informed quarters said that, under terms of the truce, no crisis would be forced until Foreign Minister Constantin Tsaldaris, leader of the Populist party returns from Paris, where he is attending the meeting of the United Nations assembly.

The Greek question is now under debate in the assembly's political committee, where action is expected this week on the future of the U. N. special committee on the Balkans (UNSCOB).

## Communists Say Fighting Raging In Mukden Streets

PEIPING, Monday, Nov. 1 (AP)—The Chinese Communist radio today announced that Red attackers had broken through defense lines into Mukden and street fighting raged in the Manchurian city.

(High officials in Nanking previously conceded that the fight for the city was over and that Mukden silently awaited the arrival of the conquerors.)

Well-placed quarters in Peking were promised over the prospect of a successful government "Dunkirk" through the Manchurian port of Ying-kow, 100 miles south of Mukden.

They said the best the government can hope for from the Manchurian disaster is to salvage a salient from the great wall to the port of Huhai. This might arrest a full-scale Red invasion of North China.

Rumors circulated in Chinese press circles that the 53d government army in Mukden revolted and went over to the Communists. There was no official confirmation.

Mukden's radio went off the air at 6 p. m. Sunday (Nanking said communications were cut at 5:30 p. m.).

The newspaper Ta Kung Pao said Mukden had fallen out to no other newspaper went that far.

## REDS TRY AGAIN TO FORCE ALLIES OUT OF BERLIN

Demand Peace Treaty With All-German Regime, Withdrawal of All Troops

BERLIN, Oct. 31 (AP)—The Russians began today a new propaganda drive aimed at forcing the Western Allies out of Germany.

They used the Communist German Peoples' council here to issue a declaration demanding a peace treaty with an "all-German government" and withdrawal of all occupation forces within a year after the treaty is signed.

This declaration said that if the Western powers "now hinder the conclusion of an all-German peace treaty, the continued presence of their occupation troops and administrative organs, amounts to colonial annexation of German territory and colonial enslavement of the German people."

Western authorities called this a Soviet move to win over the German people and embarrass the West. They considered it an attempt to popularize the Russian proposal, made several months ago at the Warsaw conference of Eastern foreign ministers, for an early withdrawal of all occupying forces.

The new campaign followed two major developments in recent weeks which indicated the Russians may be preparing to pull their troops out of Eastern Germany:

1. Organization of the armed people's police forces, now estimated by the Allies at about 300,000 men, in the Soviet zone.

2. A concerted program for the removal of industrial facilities from Eastern Germany to Russia.

There is no doubt the Germans would like to have their country back for themselves. Many fear, however, that if the Western powers withdraw at an early date the Communists might take over the country with the aid of the people's police.

## Stalin's Blast at West Drops Hem From 'Peacemaker' Role

WASHINGTON, Oct. 31 (AP)—The affable, elder statesman role which many Western leaders have ascribed to Prime Minister Stalin of Russia, now appears to have been smashed by Stalin himself.

This is the view of some of Washington's top experts on the significance of recent events in Moscow. Specifically it stems from the violence of the charges which Stalin made against America and Britain in an interview released by the Communist party newspaper, Pravda, Thursday.

What the apparent change in Stalin's public personality may mean to Western relations with Russia is not yet clear. But the experts doubt that it foreshadows any improvement.

For one thing, the idea that an appeal to Stalin might bring a solution of any major issue deadlocked in dealings with Foreign Minister Molotov now seems to be discarded.

For another the experts are wondering who in Moscow will speak an occasional kind word for co-operation with the West if Stalin adheres, as expected, to his charges that Western leaders only want war.

## 500 Persons View New Quarters of Local Auto Club

An estimated 500 persons inspected the Pottstown Auto club's new quarters at 135 High street Saturday afternoon.

The entirely renovated three-story building, on which final alterations still are being completed, was open for the public between 2 and 6 p. m.

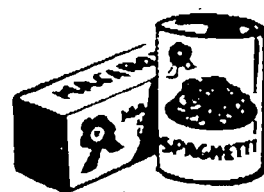

The crowd was treated to free bean soup, cold cuts, cheese, sandwiches and coffee and was allowed to roam over almost the entire building.

Members of the club's entertainment committee explained features to guests. Only one of the four apartments on the two upper floors, all occupied since Sept. 1, was open to viewing.

The first floor offices were banked with 18 baskets of flowers sent by friends of the club.

William F. Lamb Sr., president, announced that the basement hall will be loaned free to any group needing it for promotion of safety principles. It was in the hall that the meals were served.

## 11 Plead Guilty in Plot To Rebel in Romania

BUCHAREST, Romania, Oct. 31 (AP)—Eleven Romanians pleaded guilty today to charges of plotting with American and British representatives to overthrow the government. A verdict will be handed down on Tuesday.

A twelfth defendant, Max Ausnit, a Romanian industrialist now reported to be in New York, is being tried in absentia.

The 11 defendants threw themselves on the mercy of the court which is hearing high treason charges against them. Conviction carries an automatic penalty of life imprisonment at hard labor.

One defendant, Ion Bujolu, a former minister of commerce, said his contact with members of foreign missions had not in his opinion infringed on Romanian law.

"But in all our conversations," he added, "I was given to understand that a movement such as I had planned would receive outside encouragement."

Dr. George Bontila, another of the accused men, said: "I plead guilty but I have been encouraged by Anglo-American imperialistic circles."

LEICESTER, Eng., Oct. 31 (AP)—Like most everything else, the cost of going naked is going up. It was a nippy day.

## Glass Industry Studied As Model of Labor Policy

WASHINGTON, Oct. 31 (AP)—The labor peace gains of a big plate glass industry—once bedeviled by strikes and sit-downs—prompted a national study group today to compile a trend may be on.

Up has gone profits for the company and take-home pay for workers, and a pattern of labor relations may be emerging for other mass production lines, the study report observed. It was made by a National Planning association committee on the causes of industrial peace under collective bargaining.

It analyzed the 15-years of relations between Libbey-Owens-Ford Glass company and the CIO-Federation of Glass, Ceramic and Silica Sand Workers.

## WOULD YOU LET YOUR EMPLOYEES AUDIT THEIR OWN BOOKS?

That's What Happened in Philadelphia. It Hasn't Happened in Harrisburg because . . .

For ten years Independent Democratic State Treasurers and Auditors General have been auditing, checking, watching the expenditures of Republican State Administrations. That policy has worked, just as the principle of independent fiscal control and audit works in the Federal Government and in private business. For your own protection, continue it.

**Rev. Jared Receives Anniversary Gift**  
A surprise was given the Rev. Charles W. Jared, pastor of the Pottstown Baptist church, at the morning church services yesterday when he was presented with a gold wrist watch as a token of esteem of his congregation, which he has served for the past nine years.

The Rev. Jared will celebrate his birthday anniversary, Wednesday and the watch came as a birthday gift. The presentation was made by the Rev. N. Barton Master, a retired Methodist clergyman now residing in Pughtown.

The service was in the form of a home coming event and many of the older members of the church, who have moved from the community were in attendance.

Robert Potts was heard in vocal solos with Mrs. Clarence Wynn at the organ console. Mrs. Alma Harley and Kerwin Springer were in charge of the event.

The ruffed grouse gets his name from the Latin "bonasa," meaning bison, and was probably suggested by its headlong flight when flushed.

# Impressive Double Ring Ceremony Unites Jean I. Sassaman and Robert E. Weekley

Beautiful in every respect was the church wedding of Miss Jean I. Sassaman and Mr. Robert E. Weekley Saturday afternoon at 4:30 o'clock.

Miss Sassaman is a daughter of Mr. and Mrs. Lloyd W. Sassaman, 160 North Main street, while Mr. Weekley is a son of Mrs. Norman P. Weekley, 1161 South street.

A large number of friends and relatives gathered in First Presbyterian church to witness the double ring ceremony at which the Rev. A. Burtis Hallock, pastor, officiated.

The altar was decorated with large chrysanthemums in vases, flanked by palms, with pompons on the organ. A recital was presented by Mrs. Earl Yohn, organist, and Mr. James Bell, vocalist.

THE BRIDE, WHO WAS given in marriage by her father, was gown in white shimmer satin with snugly fitted bodice, illusion neckline cut with transparent sequins and tiny seed pearls. The leg-o-mutton sleeves were pointed at the wrist, while the bodice closes with a row of tiny satin covered buttons at the back. The exaggerated full skirt flowed into a long circular train.

Her chapel length veil of tulle was scalloped at the edges and fastened with tiny seed pearls. It was caught at the hair by a half bonnet of white satin with tiny pleats all around the brim and outlined in seed pearls. She carried a creamy bouquet of rubrum lilies and bouvardia.

ATTENDANTS FOR the bride were Mrs. Harold Rosenberry as matron of honor and Mrs. James G. Gole, Miss Virginia Dehaven and Miss Cherry Rachid as bridesmaids. The flower girls were Phyllis Malak and Susan Whistler.

All the groom-up attendants were in rayon fabric, designed with snugly fitted bodice and off the shoulder necklines. The very full skirts were made with pleated ruffled insertions at the front. Mrs. Rosenberry and Miss Rachid appeared in sky blue, while Mrs. Gole and Miss Dehaven were in fuchsia. They carried old-fashioned bouquets of pompons in shades to match their gowns. They wore matching bonnets and gauntlets.

The flower girls were in long white taffeta gowns with fuchsia and blue crowns and miniature bouquets like those carried by the bridesmaids.

THE MOTHER OF the bride selected a toast-colored crepe gown with brown accessories, while the mother of the bridegroom appeared in a dress of hunter green crepe with brown sash and accessories. Both wore corsages of yellow pompons.

Mr. Charles P. Kelly appeared as best man while the ushers were the Messrs. Clarence Gougler, Donald Paolucci and James Gole.

A luncheon for the many guests attending from Reading, Philadelphia, Flint, Mich., Royersford and the Pottstown area, was served in the Blue room of the American Legion home. Later, the couple left for a honeymoon of undisclosed destination. Upon their return, they will reside at the home of the bride's parents.

# Miss Madelin Keim Is Autumn Bride Of Robert McDonald

On Saturday afternoon at 2:30 o'clock, Miss Madelin Keim, 316 Rowan avenue, became the bride of Mr. Robert McDonald, son of Mr. and Mrs. Edgar McDonald, Boyertown, RD 1. The bride is the daughter of Mrs. Clara Keim, 316 Rowan avenue, and Mr. George V. Keim, Sasaroga.

For the ceremony which was performed in Trinity Reformed church, palms and white and orchid chrysanthemums banked the altar. The Rev. John B. Franz, pastor, officiated. Preceding the ceremony a 15-minute organ recital was presented by Mrs. Minnie B. Lehr. Only immediate relatives and close friends witnessed the marriage.

The bride chose a gown of white slipper satin designed with off the shoulder illusion neckline, tight bodice and long pointed sleeves. White streamers and ornaments were caught up intermediately in front to reveal insertions of ruffled lace underneath. It flowed into a long circular train edged with deep Chantilly lace.

She wore a crown of beads from which fell the fingertip scalloped veil of net. She carried a prayerbook topped with orchids, with white streamers and ornaments interwoven with white pompons. She was given in marriage by her father.

HER COUSIN, Miss Betty Keim attended as maid of honor in a satin gown of orchid with net trim. The sweetheart neckline was outlined with scalloped peplum and the tightly fitting bodice was attached to a very full skirt. She wore matching finger-tip gloves and a crown of beads and veil. Her flowers were an old fashioned bouquet of orchids and yellow chrysanthemums.

Bridesmaids were the Misses Dorothy Marquette and Betty Bartman. They appeared in gowns of nude green satin with net trim. The sweetheart necklines extended to capes over the sleeves, while the bodices were snugly fitted and attached to wide skirts. They wore matching finger-tip gloves and a crown of beads with veil. Each carried a bouquet of yellow and orchid chrysanthemums.

In gown of orchid satin, the flower girl, Miss Gladys Remington scattered petals before the bride as she approached the altar.

MR HAROLD McDonald attended as best man, while the ushers were the Messrs. Clarence Norton and Carl Galt.

The mother of the bride, Mrs. Keim, chose a winter green satin suit with brown accessories and a corsage of bronze chrysanthemums, while the mother of the bridegroom selected a black dress with black accessories and corsage of white pompons.

The reception followed immediately at the Spring-Ford Country club for members of the immediate families and a few close friends. Later the couple left for a honeymoon of undisclosed destination, with the bride traveling in a winter green crepe with brown accessories and her bridal orchid. # John Robert Kautz Weds Miss Ruth Satko Amid Floral Decorations in Stowe Church

Yellow and white chrysanthemums, banked with palms and white ribbon streamers marking off the pews was the setting of the wedding Saturday afternoon in St. Peter's Lutheran church, when Miss Ruth Satko, daughter of Mr. and Mrs. John Satko, 903 Glasgow street, Stowe, became the bride of Mr. John Robert Kautz, 422 West Race street, Stowe.

A large number of guests attended the double ring ceremony, which was performed by the Rev. Kenneth Anderson, pastor and the Rev. Joseph Kavalek, Trenton, N. J. Mrs. Leatrice Ellis presided at the console of the organ with vocal selections given by Miss Ruth Callahan.

The bride chose a wedding gown of pearlized slipper satin featuring a torso bodice and sweetheart neckline outlined with iridescent beads in medallion design. The long sleeves tapered over the wrist. Highlighting the costume was a very full eyelet satin skirt with tiers and tiers of deep ruffles which continued into the long court train.

HER VEIL WAS of imported silk illusion net and was embroidered in matching eyelet of chapel length. It was caught at the head by a coronet, set with iridescent beads and seed pearls forming a ruffled design. She carried an old fashioned bouquet of white chrysanthemums and satin streamers. Her father gave her in marriage.

The attendants all wore gowns of slipper satin, fashioned with off the shoulder neckline outlined with venetian lace and fitted bodice to form a waup waistline. The voluminous skirts were worn over hoops and crinoline skirts. Each wore large picture hats with ruffled trim. They carried old fashioned bouquets of yellow chrysanthemums and pompons with silver streamers.

### BARCLAY ON BRIDGE

by SHEPARD BARCLAY

Chiefly a Suit Asset

HAVING a singleton in your hand, opposite a partner who has bid both No Trumps and a major suit which you support adequately, you may think you have a difficult problem, but you have not. In practically all such cases, you should put the game contract into the major suit. If you think that is because your singleton is a liability at No Trumps, you are wrong. The chief reason is that the singleton is an asset in suit play; affording your partner a chance to pick up by ruffing one or more tricks which he could not get otherwise.

contract. I tried No Trumps because I felt that we might get a better match point score in the tournament if you could score the same number of tricks at either contract.

South pointed out then that the singleton did not cause the trouble at all, that the damage was due to the fact that South had only one stopper in hearts and the diamonds wouldn't break 3-2. The reason for preference of the suit contract was that the singleton would then be an asset, a very valuable asset.

Where the deal was played in spades, South took all but one trick, lost to the spade Q. Two hearts were ruffed by the dummy's trumps, leaving South's hand composed entirely of winners except for the single trick in trumps. It was an ideal illustration of the fact that a singleton is valuable at suit play, but valueless at No Trumps.

North was plenty sorry about his last bid, after he saw what happened to that contract. West led the heart K, and South could score only eight tricks before losing the lead, since the diamonds broke badly, and the defenders then set him with hearts. "I should have put the game into spades," he confessed after the deal, "since my singleton was a danger sign against a No Trump contract."

# Trojans Crush Conshohocken for Fourth Victory, 45-7

## Dobry Tabs 2 Touchdowns; Entire Squad Sees Action

By ELMER PANOC  
(Mercury Sports Editor)

The Trojans of Pottstown High got back to their winning ways Saturday afternoon. Coach Heeb Meyers' proteges treated a throng of nearly 2500 fans with a razzle-dazzle football show at Conshohocken.

The victory snapped a two-game losing streak for the Pottstown High eleven and brought its season record to four wins and two setbacks.

The Trojans didn't seem to mind the baking sun and the 65-degree heat as they piled up a total of seven touchdowns and three extra points. Three of the six-pointers came as a result of the Trojans' powerful ground attack which chalked up a net total of 266 yards rushing from scrimmage. Three touchdowns came as a result of Pottstown's passing attack. The visitors attempted 11 passes and completed four for 181 yards. The other TD came on a runback of an intercepted Conshohocken pass.

Meyers allowed the Trojans to run up a 19-7 lead in the first period and then pulled his starting eleven for the remainder of the half. The starters rolled up two more six-pointers in the third period and then rode the bench for the rest of the game.

THE TROJAN MENTOR used 35 players in the game, everyone making the trip seeing action.

Saturday's victory was a real team triumph for the Pottstownians. Perfect teamwork earned the Trojans to their seven touchdowns. Blocking down field cleared the way for nice gains and Pottstown's line play was above par.

Bob "Chink" Dobry carried away individual honors as he rumped to two touchdowns, set up another with a nice run and kicked three points after touchdowns. Bob Manger intercepted a Conshohocken pass and galloped 48 yards for his touchdown and passed for two other scores. Doug DeBlase, a third-string fullback, was another standout in the Trojan lineup. He tallied Pottstown's fourth touchdown on a beautiful 36-yard scamper.

Pottstown struck for its first touchdown the first time it had its hands on the ball. Following a

team's 45. Al Walton then tossed a pass to Tom Polley on the 15 and the big Trojan end had little trouble scoring from there. Dobry's conversion ended scoring at 45-7.

Pottstown started marching for another score later in the same period. The Trojans moved from their own 35 to the Conshohocken 20 where the game ended with the hosts recovering a Pottstown fumble.

The Trojans return home next Saturday to face a Strong Coasteville High foe on Franklin Field. Coasteville tied West Chester by a 6-6 count the past Friday. West Chester edged Pottstown, 7-6. Lineups:

## BOYERTOWN TIES SHILLINGTON IN BERKS LOOP, 6-6

Bears Score Touchdown In Last 30 Seconds, Drop Out of First Place

Boyerstown High's Bears vacated first place in the Berks Scholastic Football conference Saturday afternoon and Mullenberg's defending champions quickly jumped into the driver's seat.

The Bears, seeking their fourth consecutive conference triumph, were surprised by a determined Shillington eleven and had to be content with a 6-6 deadlock. Mullenberg, meanwhile, was having an easy time with West Reading, winning in a rout by 44-6.

Shillington, playing on its home field, held the Boyertown gridders scoreless for the first three periods and as the fourth quarter went on it appeared as though the Speedboys would blank Coach Bob Fleming's proteges.

BOYERTOWN, however, came to life late in the game and scored the tying touchdown with only 30 seconds remaining in the tussle. The try for extra point was nullified by a penalty and Boyertown's bid for the Berks conference crown were temporarily halted.

Dave Garber, the Bears' kicking specialist, made good on his conversion but a penalty pushed them back. Garber tried a placement from the 30-yard stripe but it fell short of its mark.

Shillington drew first blood, scoring its six-pointer in the second quarter after recovering a Boyertown fumble on the latter's 30-yard line. End runs by Don Daniels and Bob Bamber carried the ball to the nine and Daniels scored on the next play standing up. Bamber's attempted conversion was no good.

Boyerstown lost the ball twice on downs as it started marching toward the Speedboys' goal late in the last quarter. The Bears finally got their chance on a bad punt and advanced the ball to the Shillington 10. Hen Johnson bucked his way to the two and Don Mackey lugged the ball across the goal line on a quarterback sneak.

## Norco Fumbles Give Spring City Pirates 14-0 Win on Gridiron

Spring City's Pirates capitalized on two North Coventry fumbles in the second half to defeat the Wildcats, 14-0, before an Alumni Homecoming Day throng of 500 fans at Norco.

The Pirates broke a 0-0 deadlock in the third period on the recovery of a Norco fumble in the end zone and then added another touchdown in the fourth period after recovering a fumble on the home team's 27-yard line.

The Wildcats surprised Spring City by holding the visitors scoreless throughout the first half. The Pirates dominated play throughout the game, but the Wildcats played a brilliant defensive game and gave the Pirates a real scare.

The Pirates marched for their first touchdown in the third period when Fred Gumma intercepted a Norco pass on the hosts' 35. The visitors marched to the two-yard line and lost the ball on downs.

Norco attempted to run the ball out of danger, but Gumma broke through the line and dumped Jim Orandosh behind the goal line. Orandosh fumbled and Gumma fell on the ball for a TD. Earl Nelson plunged over from the two for the extra point.

In the fourth period, the Pirates gained possession of the ball on the Norco 27 by way of another fumble. Coach Gene Groff's crew drove to the two and Nelson bulled his way through the line to score. Jim Rent-schler passed to Herb Carl for the extra point. Lineups:

## Maria Assunta Eleven Tops Shamrocks, 6-0, Before 800

Maria Assunta AC took a good hold on the Pottstown Amateur Football championship yesterday afternoon by edging the Pottstown Shamrocks, 6-0, before a crowd of 800 fans on the West Pottsgrove High field.

Officials of both clubs announced after the game that the two teams may meet in a return game later in the season. If Maria Assunta wins the return game, it takes the championship. A Shamrock victory would mean co-champions.

Maria Assunta, heavily favored over the Shamrocks, ran into some trouble but managed to pull through with its sixth consecutive triumph.

The victors, however, outclassed the Shamrocks in rushing and passing. In rushing the Maria Assunta eleven gained a net total of 81 yards from scrimmage while the Shamrocks could gain but 55 yards on the ground. Maria Assunta led in yards gained passing, 56-45. Maria Assunta chalked up nine first downs to the Shamrocks' eight.

MARIA ASSUNTA pushed a touchdown across in the very first period on a 20-yard pass from Danny Ludwig to Dick Cimino in the end zone, but a penalty nullified the play and pushed the offensive team back. The Shamrocks then held on downs.

In the second period, Maria Assunta marched down to the Shamrock goal line again, but this time they got as far as the one-foot line before the Shamrocks held for downs.

Jim Howard, attempting to kick the Shamrocks out of danger, got off a poor punt. The ball hit near the Maria Assunta 20 and bounced back to the eight-yard line.

The victors moved the ball to the six-yard stripe on two plays and then Paul Axsmith, behind good blocking, bulled his way for a touchdown at 7:10 of the second period.

The victory gave Maria Assunta a 3-0 edge over the Shamrocks, having defeated the Shamrocks twice a year ago.

The Shamrocks threatened in the second period after the Maria Assunta touchdown. The losers marched right down the field to the Maria Assunta 20-yard line only to lose the ball on downs when their passing attack bogged down.

As the second half opened, the Shamrocks recovered a fumble deep in Maria Assunta territory but couldn't get near enough to score.

Baugh Sets Passing  
Record as Washington  
Dumps Boston by 59-21

NEW YORK, Oct. 31 (AP)—While the powers of the All-America conference, the San Francisco 49ers and the Cleveland Browns, took the day off the footballs of the National Football League, the Chicago Bears and Chicago Cardinals, continued their winning ways.

The Bears triumphed the New York Giants, 35-14, and the Cards turned back the Los Angeles Rams, 27-22, to remain in a tie for the Western division lead.

Sammy Baugh, Washington's passing master, came up with the individual performance of the day. Baugh set a new league passing record. The former TCU star gained 446 yards through the air and tossed four touchdown passes in leading the Redskins to a 59-21 triumph over the Boston Yanks.

The yards gained eclipsed the former mark of 433 created by Luckman of the Bears against the Giants on Nov. 14, 1943. Baugh's aerial display also enabled the Skins to set a team mark for most yards gained via the air lanes in one game. The Skins gained 501 yards to break the previous mark of 488 set by the Bears also on Nov. 14, 1943. Baugh completed 17 out of 24 passes in setting the new record.

PHILADELPHIA crushed the Pittsburgh Steelers, 34-7, to maintain its half game edge over Washington in the Eastern half race. In the National's other game, the Detroit Lions upset the Green Bay Packers, 24-20. It was the Lions' first victory of the season in six starts.

The Buffalo Bills downed the Baltimore Colts, 25-17, to tie the Colts for the Eastern division lead in the All-America conference. The Los Angeles Rams blanked the Brooklyn Dodgers, 17-0, and the New York Yanks shot up the Chicago Rockets, 42-7, in the conference's remaining games.

Chicago blended a ground attack that netted 289 yards with touchdown passes by Johnny Lujack and Luckman in routing the Giants. George McAfee scored three of the six pointers and Noah Mullin chipped in with a 74-yard touchdown.

THE CARDS had a harder time in downing the Rams in Los Angeles. The Redskins piled up a 27-10 lead at the end of three periods and held on in the last as the Rams came back with two touchdowns to make a game of it.

Ray of Allouf passed to three Chicago touchdowns and Pat Harder completed the Card scoring with two field goals. The Rams started moving late in the third quarter and before the game ended Jim Hardy pitched three six-pointers for the Rams in their vain bid to overhaul the Cards.

Tommy Thompson, Steve Van Buren, Josh Griffin and Cliff Patton teamed up to lead the Eagles to victory over the Steelers. Thompson completed 16 out of 22 passes and Van Buren accounted for 100 out of the 157 yards gained by the Eagles in rushing. Patton booted two field goals and four placekicks and Pritchard scored twice as the Eagles racked up their fourth straight triumph.

TRAILING 14-7 at the half, the Lions scored ten points in the third period and seven in the last to nip the in-and-out Packers. Clyde LeForce tallied the payoff counter on a play that covered 71 yards.

Sparked by George Ratterman and Chet Muiryn, Buffalo scored in every period in routing the Colts. Muiryn scored three times to bring his season's point total to 66, and Ratterman tossed two touchdown passes. The Bills sewed it up with 14 points in the last period.

Glenn Dobbs, Los Angeles' great triple threat, back led the Dons to triumph over the Dodgers although he saw only three minutes of action. Dobbs, nursing several bruised ribs, completed five out of five passes to set up one touchdown and account for the other.

Max Schmeling Loses,  
Retires From Boxing

BERLIN, Oct. 31 (AP)—Max Schmeling, 43-year old former world's heavyweight champion, lost a slow ten round decision here today to Richard Vogt of Hamburg, German light heavyweight cham-

pion and then announced "This is my last fight."

A thoroughly chilled crowd of nearly 25,000 saw the bout in an outdoor arena in the British sector of the city. Schmeling weighed 194, Vogt 187.

It was so cold and raw the fighters had to keep covered between rounds. The dull fight was enlivened in

the last round when Vogt severely pummeled his older opponent.

Vogt, a Hamburg farmer and harness racer, is 36. He was second in the light-heavyweight finals of the 1936 Olympic games.

In the dressing room after his defeat Schmeling said he planned now to retire permanently and return to Hamburg where he has a real estate business.

Vogt wants to fight Freddie Miller, the Englishman who lifted the light-heavyweight crown from Gus Leonard in London.

Dr. E. Wayne Konrad, new athletic trainer at the University of Florida, did the training job for Mississippi State the past year.

Farm Machinery  
Should Be Fixed  
Before Storing It

Mr. Farmer, it's time to check over that farm machinery before you store it for the winter and if it needs repairing by all means get in touch with the John Satko Machine Works, Berks and Glasgow streets in Stowe. Phone 2683-W.

Here all types of farm machinery in a modern machine shop, is repaired the correct way.

Certainly it would be logical to have that machinery put into the best condition so that when Spring work rolls around again the machines will be able to roll likewise.

And if it is impossible to fix the broken machinery at the John Satko Machine Works in Stowe then you have ample time to order new replacements.

But with general repairing, machine work, electric and acetylene welding, brazing and grinding the chances are that your tractor or other equipment can be fixed at this modern establishment.

Have this important matter attended to at once.

Dick's Parking Is Place To Keep Auto Protected

Any motorist who values the finish on his car and doesn't want it standing out in inclement weather which we are apt to get in Pottstown any time now, would do well to make arrangements with Dick's Auto Parking, 18 South Charlotte street, for storage.

Then your car will be in a nice stall protected from all kinds of weather and possible thievery.

Storage can be obtained here by the day, week or month, and you can get tires repaired, car batteries charged, and lubrication—all under one roof.

Car storage is sometimes difficult to obtain as colder weather comes. Better make arrangements right now to keep your machine at Dick's Auto Parking.

New Wallpaper Can Give  
Fresh Charm to Your Home

You can certainly enhance the interior beauty of your home, Mr. Householder, and surprise your wife and family by having John T. Bergeman, Box 74, Samburga, Phone 96-R-3, paper at least a few rooms of it this Fall.

Nothing like new wallpaper to give beauty and charm to drab-looking rooms.

Take that living room of yours, for example. Here, a warm, cozy family will gather after dinner for long winter evening chats, to listen to the radio and discuss events of the day. Won't they enjoy it more if it is a bright and cheerful room, made possible with a new-pattern wall paper design?

New paper does more for a house than perhaps any similar investment you can make.

And at the same time why not let Mr. Bergeman give you free estimates on the cost of painting, a work he is also engaged in.

East Greenville pushed aside Pennsburg High by a 34-6 score Saturday afternoon and continued on its way to an undefeated season. The victory was the seventh in succession for Coach Dave Pritchard's gridgers this season.

The Greenies scored in every period as they outclassed the Bulldogs from start to finish. The Bulldogs matched the East Greenville ground attack but were simply outclassed in the air.

In rushing from scrimmage the Greenies rolled up 258 yards while the Bulldogs plowed through the East Greenville line for 217 yards.

EAST GREENVILLE tallied its first TD on the Pennsburg gridiron in the first period on Richie Ziegler's 19-yard pass to Card Bardman. Ziegler plunged for the extra point to give the visitors a 7-0 lead.

STAY UNDEFEATED

Sherwood Schnell scored two touchdowns and converted two extra points from placement to give the Rogersford High Eagles a 20-18 triumph over the Coatesville High second stringers Saturday afternoon on the Rogersford campus.

Schnell made his first touchdown in the first period on one-yard plunge and then tallied his second six-pointer in the third period on a three-yard back through the middle.

Barney Grater scored the Eagles' second touchdown in the second period, taking a pass from Mike Chuck. The play covered 22 yards.

## Troops Withdrawn From Tenn. Town; Violence Threat Ebbs

LOUDBON, Tenn., Oct. 31 (AP)—National guard troops, ordered here yesterday when a sheriff reported possible mob violence stemming from the death of a hillbilly singer, withdrew today.

Col. Dwight L. McReynolds of Cleveland, Tenn., commanding officer of the troops, ordered the withdrawal and reported "the situation here is under control."

Gov. Jim McCondy at Nashville ordered the troops into this East Tennessee town after Loudon County Sheriff Henry McDonald and Loudon Mayor E. E. Watkins reported that mobs had threatened the sheriff and planned to dynamite the jail.

FEELING AGAINST the 58-year-old sheriff has been high here since the automobile death on Oct. 23 of Ray Brewster, Knoxville hillbilly radio singer.

McDonald and a deputy, Clifford Hughes, are accused of causing Brewster's death by shooting down the tires of his automobile, and causing it to overturn.

A preliminary hearing to the Loudon county grand jury before Magistrate Dudley Cates the past Friday.

Meanwhile, the two officers are at liberty under \$5000 bond. They said Brewster's death occurred when his car ran off a highway after trying twice to ram the officers' vehicle.

McDonald said he was attempting to stop Brewster's car to serve a large warrant on the hillbilly singer.

Both McDonald and J. M. (Jake) Littleton, restaurant operator and acknowledged leader of forces seeking the resignation of the sheriff, said they anticipated no trouble.

"WE'RE GOING TO DO this job legally by filing an ouster suit against the sheriff," Littleton said.

Meanwhile, McReynolds said there had been no incidents since approximately 125 guardsmen moved into the town shortly after noon yesterday. Loudon was as quiet as any normal town of 2000 population on Sunday.

It was the second time this year troops have been ordered out in East Tennessee for emergency duty. The first was the past August during election day violence in Polk county in which three persons were killed and several injured.

FIRM HEAD DIES  
LANSDOWNE, Oct. 31 (AP)—Gilbert B. Mustin, 67, president of Frank H. Flier corporation, one of the nation's first producers of bubble gum, died yesterday at his home. He was president of Flier's since 1920.

## Noncommittal

Secretary of the Army Royal (above) refused yesterday in Washington to say it was "necessary or essential" for national defense that President Truman be re-elected. He said, however, that it would be "desirable."

## Coupe Stolen From Lot Is Recovered at Stowe

A 1935 coupe, stolen from a theater parking lot on South Charlotte street late Friday night, was recovered yesterday morning in Stowe by Motor Patrolman Earl J. Rhoads.

Russell L. Slifer, 536 South Main street, Spring City, told Pottstown police he had parked his red, silver-topped coupe on the lot, leaving the keys in it, at 8 o'clock Friday night before he went to the movies.

When he came out at 11 o'clock the car was gone, he said.

Rhoads found the car parked behind the Flockinger garage, on West High street, Stowe, undamaged and with half a tank of gasoline remaining.

## Borough Briefs

Justice of the Peace Charles A. Andre, of the West ward, will send summonses to two motorists for alleged violations.

Rhoads also charged Barrett S. Marvel, of Dover, Del., with passing a red light at High and York streets at 11:45 a. m. yesterday.

Grass Fire Extinguished By Firemen at Hilldale

The firemen did not know the origin of the fire.

## British Navy Saves 1200 Off Chinese Troopship

SINGAPORE, Oct. 31 (AP)—The British destroyer Cossack rescued 1200 Chinese soldiers by lifeline from the grounded Chinese troopship Yunglung near Keelowe, Formosa, the British navy announced today.

The Yunglung was driven ashore in "very rough weather," the announcement said. No further details of the rescue are available, a naval source said, because the crew of the

Cossack apparently is busy feeding and looking after the rescued men.

The Cossack originally was scheduled to arrive in Shanghai on Nov. 2. Presumably she will go there with the rescued men.

Salvage of the Yunglung will be a major operation but the vessel is in no immediate danger, the announcement said. Tugs have been asked for from Shanghai.

Soviet is a modification of a Russian word meaning council.
